LIFE MEMBER TURNED 100 THIS YEAR

Presidents Report

December has arrived! I am not sure about the rest of the country, but winter has come in like a lion. Alberta has been cold and frosty!

With membership coming due and the post office being on strike this year. We would like everyone to print off the membership form, fill it out, scan it and email it to Kathy French at rogkath@mymts.net. Fees can be sent to our Treasurer Jayne Russell at jrussell@jaynerussell.ca.

On September 11, 2024, we held our first online Annual General Meeting. I think it went very well and would like to continue with this platform.

Please remember to support our National Specialty being held on Saturday June 21, 2025, in Dorchester just outside of London, Ontario and will be in conjunction with the Monarch Kennel club show, Thank you to Olga Gagne for hosting this event. I hope to see lots of participation and great attendance for this specialty.

I would like to remind everyone to be a good sport and support each other at the shows.

Happy Holidays!

Toby Hately

**MERRY CHRISTMAS
AND
HAPPY NEW YEAR**

As the holiday season approaches, we want to take a moment to celebrate the joy, camaraderie, and passion that our beloved dogs bring into our lives.

Whether you're training for the next big show or enjoying the simple moments with your furry companions, let this festive season remind us of the bond we share with our four-legged friends.

May your Christmas be filled with wagging tails, slobbery kisses, and cherished memories with family and friends.

Here's to a New Year overflowing with health, happiness, and successful shows ahead! Wishing you all the best in 2025 – may your hearts and homes be as full as your trophy shelves!

Happy Holidays! Glen & Margaret Zacher & Gang

MEMBERSHIP CHAIR REPORT

December 2024

Season's Greetings to all Papillon Canada Club members, your families, and your beloved Papillons and Phalenes! I wish you all a healthy, happy, peaceful and safe holiday season. Once again, I find it hard to believe that another year is coming to an end. Where does the time go?! And where do the years go?!

Here in Winnipeg, we had virtually no snow until the end of November. This was most unusual and again, yet another indication that climate change continues to evolve. Of course, our little Phalene, "Oakley," appreciated this because it meant longer walks in mild temperatures, with lots of green grass still available for her to sniff.

We are now beginning the second week of December and the view from my living room window is that of a snow globe that has been turned upside down. White flakes have been falling gently from the sky all day long and the snow is beginning to pile up. We are now expecting to receive 20 cms of snow, before the night is over. But "Oakley" still insisted on her usual late day walk today, even in the deep snow, so we bundled her up in her pink faux suede jacket and off we went. Thank goodness for our dog, who gets us outdoors in the Winter, even when we don't much feel like it!

MEMBERSHIP RENEWAL

I want to remind all of you once again, that Membership Renewal application forms and fees are due very shortly, **January 1, 2025**. Thank you very much to those Club members who have already sent in your renewal application form and dues. As I write this, it is the second week of December and I have already received **23** Membership Renewals to date. I am hoping to receive many more in the coming weeks.

A **Membership Renewal** application form and a **Website Listing** form were attached to the Fall 2024 edition of the "All Ears" Newsletter. In late November, I also emailed a reminder note to all you, with each of these forms attached. For your convenience, they are once again attached to this Newsletter as well.

However, due to the current **Canada Post mail strike**, those of you who had planned to mail your Membership Renewal form and a cheque for your membership dues will be unable to do so at this time. Therefore, if you would prefer to complete your form, scan it, and email it to me as a **PDF document**, I will be happy to print it off at my end. **Please do not take a photo of it and email it to me as a JPG file.** It is challenging to read and print your Membership Renewal form in such a format.

You are invited to send an **e-transfer payment** for your membership dues directly to our Club's Treasurer, **Jayne Russell**. If you do plan to do this, please send it to Jayne at papillonclubofcanada@gmail.com

I do know that some of you would still prefer to mail, via Canada Post, your Membership Renewal form and a cheque for your membership dues. If this is your preference, you can wait until the Canada Post mail strike has ended and mail your form and a cheque directly to me, the Papillon Canada Club Membership Chairperson...

Kathy French, 38 Tomlinson Ave., Winnipeg, Manitoba, Canada, R2K 3K9

Please do *not* send cash in the mail. Cheques, bank drafts or money orders would be greatly appreciated.

Membership renewal fees paid after March 1, 2025, denote a lapse in membership. According to our Club's By-laws, "reinstatement must be approved by the Board of Directors, with an additional late payment fee of \$10.00 to be paid." However, this year, because of the Canada Post mail strike, we will **waive the late payment fee**, provided your Membership Renewal is not unreasonably late.

As well, according to our Club's Bylaws, new members who join the Club after October 1, 2024, any fees paid "are considered to represent the fees for the ensuing membership year."

Club members are no longer required to complete the **Website Listing Application** form each year, unless you wish to make changes on the **Papillon Breeders** list on our Club's website. If you have become a new Club member in the past year, you may wish to complete this form & send it to me so that we can be sure that any information on our Club's website is consensual & accurate.

WELCOME to a NEW CLUB MEMBER

I would like to extend a warm welcome to the following new Club member...

HAPPY 100th BIRTHDAY to a LIFE MEMBER! ->

On behalf of the Papillon Canada Board of Directors and all Papillon Canada Club members, I want to wish Alberta Club member, **Jo Raymer**, a very **Happy 100th Birthday!** Jo is one of the founding members of Papillon Canada and as such, is a **Life Member**. She celebrated her milestone birthday this past year and we wish her many more days of happiness and health. A special birthday card was sent to her, on behalf of all Club members.

PAPILLON CANADA RESCUE

If you would like to support **Papillon Canada Rescue** with an optional donation, it would be greatly appreciated. This past year, for a variety of reasons, we are once again seeing an influx of rescued dogs being surrendered. If you would like to make a donation, you can send an **e-transfer** directly to our Club's Rescue Coordinator & Treasurer, **Donna Edwards** at papilloncanadarescue@gmail.com

*Please note that the Papillon Canada Rescue & Papillon Canada bank accounts are separate, so if you are making an e-transfer donation to Papillon Canada Rescue, a different email address is involved.

Alternatively, when the Canada Post mail strike has ended, you can make a donation to Papillon Canada Rescue, by including an additional cheque, bank draft or money order, made out to "**Papillon Canada Rescue.**" You can mail it to me, along with your Membership Renewal form & membership dues cheque.

RESCUE REPORT DECEMBER 2024

Seasons Greetings to everyone. I hope you all have a wonderful holiday season.

First, the calendars. Thank you everyone who ordered them. As you are aware we are on hold until the postal strike is over. We have them ready to go and will mail them as soon as the strike ends. We still have a few left if you would like to order one. We need to sell 19 more to reach our goal for this year.

Rescue has been busy this year.

- We had a young dog come in who only needed foster for a week then was ready to go into his forever home. Now known as Remi he is busy learning agility and rally.
- Then we had the opposite end of the age with a 14 year old male coming into us. Rocky is a really sweet old gentleman. He needed some dental work done but other than that he is a pretty healthy guy. It took a little bit to find the perfect home for him but he will now live out his twilight years in a loving home. He also has another senior dog (pom) to keep him company.
- We then had an emergency call to take 2 males. Like many other "emergency" rescues it became an on again off again situation. The day the foster was to pick them up we found out from a specialist the older dog was in liver failure and the sad choice at the advise of the vet had to be made. Then because of losing his wife, and old dog, the owner decided to keep the younger one hoping to be able to care for him. We are on standby if needed.
- Next I was contacted about 2 princesses who's owner had passed away and needed rescue. So again, got the wheels turning, found a foster. The foster made arrangements to travel the 6 hours and pick up the dogs. That day a call, a groomer friend would take the dogs and keep them. Ten days later, a message, can you please pick up the dogs. So our foster jumped into action, made the trip and the 2 girls are being cared for until ready for adoption. They are 11 years old and one needs dental work which will not be done until end of December. So mid January these 2 girls will be ready for forever home. Foster mom is going to determine if they can be separated or must got together.
- We are in the middle of a rather complicated rescue right now. We are trying to get 9 dogs. The owner who has health issues agreed to surrender them but is now not returning any calls. We know these dogs are in rough shape and will definitely need vet care. They range in age from 1 year to into the teens. It is a touchy situation, and we are moving with caution. We have fosters on standby and the 2 club members trying to get the dogs are doing what they can. Again, it is a complicated situation and we will do what we can to help these dogs. We do know if they come into rescue it will be a very costly undertaking.

Because I am co-chairing the 2025 National Specialty with Olga Gagne, rescue will have a presence at the event. We are looking for donations to put on an auction table. Or donations so we can put together a basket to sell tickets for.

Thank you to everyone who has supported rescue this year. Many of our intakes are older and dental is always required. This can run us from \$1200 - \$2000 per dog. And our funds need to be replenished all the time. We are hoping that we will raise a lot at the National.

Merry Christmas

Donna

PAPILLON CANADA 2025 NATIONAL SPECIALTY

Dorchester, Ontario
Saturday, June 21st, 2025 (Pending CKC approval)

Host club is Monarch Kennel Club.
This is a large outdoor show with many other specialties and conformation events.
Dorchester Fairgrounds are 25 minutes east of London, Ontario.

Monarch Kennel Club has four days of all breed conformation shows,
held Thursday, June 19 to Sunday, June 22, 2025.
There will also be a limited Toy Group event.

With these additional events, the weekend of the Papillon National will have six shows for the exhibitors. Sunday all breed judging will have a Papillon Booster.

The judges for the weekend shows and the National have not been approved.
More details on the show will be available upon CKC approval.

We are planning an evening **BBQ** on the show grounds on Saturday after the show.
There will be a basket raffle, a silent and live auction during and after the BBQ.
Please donate to these tables as it is a good means to raise funds that pay for the show.

We are in need of trophy sponsorships for the various awards
All donations are greatly appreciated and are needed in order for this show to succeed.
All donors will be acknowledged in the catalogue and in the club's newsletter.

Those wishing to sponsor a particular award please indicate your choice by contacting
Olga Gagne, 905-262-4682 bluechip149@sympatico.ca
E-transfers can be sent to Jayne Russell papillonclubofcanada@gmail.com
Cheques can be made out to Papillon Canada and mail to:
Olga Gagne, P.O. Box 149, St. Davids, ON L0S 1P0
Please inform both Olga and Jayne of your choice(s) and payment.

Dick and Nancy Lopaschuk
On Receiving The Lifetime Achievement Award

Lifetime Achievement

Presented to

Richard and Nancy
Lepaschuk

The journey became a team effort for Dick, as it was his wife Nancy who really had the fondness for dogs. His first dog as a boy, in Vernon, was a Border Collie and then a Lab, as a teenager, to hunt. It all started over 59 years ago shortly after Dick and Nancy were married. Dick worked for Transport Canada and was a weatherman. Dick met Nancy, who was working as waitress, while going to college in December of 1964. They were engaged in March '65 and married July 1965. They moved to Vancouver where Dick took on a new career with Environment Canada, Water Survey, doing watershed studies. Six months later, they moved to Prince George. Nancy needed a dog, so they decided on getting a purebred German Shepherd Dog, a female puppy. A few years later they had the opportunity to buy a well bred stud dog for \$100. They joined the Northern Interior Kennel Club in Prince George. The spring of 1967 saw the club holding a Sanction Match. Dick walked into the ring for the first time and went BIS. They were hooked and so the real journey into a lifelong dedication began in earnest.

NIKC had applied for their first Championship show in July, 1969. Dick was the first Show Chair, because he had a lot of experience in showing and rules (at least 2 years, ha, ha) and Nancy was the Club Treasurer at the time. Thus, the show experience started to take shape and would extend over the next 50+ years chairing shows for three different clubs. Nancy and Dick acquired a Miniature Schnauzer and a Pointer while in PG and bred several litters of Schnauzers while Dick was training the Pointer for hunting. He was also training a GSD in Obedience and tracking. Dick was a ski patroller and had trained two dogs for avalanche rescue with Search and Rescue for the City of Nelson. All this was done while working full time and starting to raise a family.

Dick was transferred to Nelson in January 1973. Upon arriving in Nelson and finding no opportunities for training they decided to see if there was interest in the West Kootenay to form a Club. In Sept. '73 the West Kootenay Kennel Club was formed. Their first Championship show was in 1975 and followed the Cranbrook Shows. Dick was the President, Superintendent, and Show Chair for the first shows and many of the subsequent shows that followed. After stripping Miniature Schnauzers for almost 15 years they decided they needed a different breed of terrier and bought a Cairn. Their daughter was in Juniors and needed a dog so the Cairn fit really well for her. The Cairns did very well in the ring with many Canadian and AKC Champions. They bred and showed Cairns for almost 40 years. One of their Wire Foxes was trained by their Daughter for Obedience. At 10 years old she won high in class for her final leg in CD under judge Evelyn Kenny! Both their son Ryan and daughter Lara were involved in the Junior Handling program during this period. Ryan handled his Wire Fox Terrier and Lara handled her Cairn Terrier.

Dick and Nancy made their final move to Cranbrook in 1984, and Dick became President and Show Chair for the Cranbrook and District Kennel Club. He has held these positions (off and on) for many of the years since then. After 25 years breeding and showing German Shepherd Dogs, 15 years Miniature Schnauzers, 40 years Cairn Terriers and 5 years Wire Fox Terriers we decided we needed a retirement breed and chose the Papillon. 21 years later we are still breeding and exhibiting this wonderful little breed. They have had many Champions with all these breeds throughout the years, mostly owner handled. After handling many club members dogs with great success, Dick decided to start his judging career in the mid 1980's. His first permit was Terriers in 1989, and he completed All Breed Status by 2001-retiring in 2022.

Dick and Nancy have been CKC Members for 58 years. In 1988 Dick ran for the CKC Board for the Interior of BC and Yukon and won the election in CKC's Centennial year. He spent 12 years on the Board retiring in 2002 and then appointed again to the Board for 2 years in 2017 replacing a Board member who sadly passed away. Over the 33 year period, Dick judged in 16 different Countries on 5 continents. In 2022 Dick decided to retire from judging while still at the top of his game.

There have been many memorable shows that he has judged with Nancy travelling by his side. The most memorable was BIS at the 2005 Melbourne Royal with over 4000 entries. He chose the magnificent Dandie Dinmont Terrier for his BIS and a lovely Dalmatian Runner-up. This Dandie came to North America several months later to become one of the top winning dogs in the USA. Another very memorable dog he judged was the Siberian Husky "Niklas" awarding him his first BIS in 2004, leading up to him being number one dog in Canada with 83 BIS's. He will always remember his first and last BIS. The first was a Standard Manchester Terrier, judging at the first club he belonged to, Northern Interior Kennel Club in Prince George. His last show in 2022 was at Elgin County where he awarded BIS to an Irish Setter. He also had the privilege of judging the Black Russian Terrier National Specialty at this show with 28 dogs competing. They gifted him a beautiful case and inside was a bottle of vodka and Kahlua with a recipe for Black Russian cocktails!! Elgin County gave him a wonderful sendoff for his retirement. The last show he Judged was in Great Falls Montana in October and they also surprised him with another wonderful sendoff and lovely gift.

Although retired from judging we are still able to see Dick and Nancy competing at the shows. If they aren't showing they are ring stewarding. It is always a pleasure to visit with them both yearly as they oversee the new executive at the Cranbrook and Dist Kennel Club.

As the photos show - Dick and Nancy's love for a good time makes Cranbrook one of the must attend shows out West.

On behalf of us all, it is our pleasure to award you both with this years Lifetime Achievement Award. Thank you for your immense contribution to our sport of dogs.

A Lifetime of Memories for us all.

A Papillon dog with large, fringed ears, white chest and paws, and reddish-brown fur on its face and back. The dog is sitting on a dark, weathered log in a field of green, low-lying vegetation. The background is a soft-focus field of similar green plants.

SECRETARY'S REPORT

DECEMBER 2024

I want to wish everyone a happy holiday season. I hope that yours is everything you hoped it would be

There is not a lot to report on as secretary. The 2025 National Speciality is starting to gear up. Olga will be sending out a premium list so everyone can decide what they would like to sponsor. The national will be held in Dorchester ON. (just east of London) June 2025. Plans are in the works and we are hoping lots of you decide to attend.

A survey has gone out to all members. It is for a researcher from the University of BC doing a study on dog breeding practices in Canada. You may have seen it on Facebook already. We encourage you to participate if you would like to.

Respectfully submitted

News from the Atlantic region and Quebec.

From Newfoundland and Labrador:

From Sandi Collins. I asked Sandi to include this information as I had never heard of Canine Vasculitis and thought it could be educational to all.

On September 23, 2024, I had to say goodbye to my sweet little Lindy Lou at the age of 13. She was diagnosed with Vasculitis on August 29th. In the later part of August, I noticed that Lindy had some crusting on the edges of her ear tips that began to bleed and then fall off leaving gouges out of the edges of her ears. The bleeding was considerable and needed pressure to stop. I got her in to her animal hospital on August 27th. Lindy was also diagnosed with a yeast infection in both ears and was given antibiotic drops. The Veterinarian said that she thought Lindy had vasculitis and took pictures and would reach out to colleagues as she had never seen this before. A few days later, the Veterinarian called and said that extensive testing was needed, x-ray, ultrasound and biopsy of ear under anesthesia, to determine the underlying cause but she didn't think it was necessary at her age because it would not change the treatment. The following day we had a complete blood workup done to determine if her liver functions were good before we started treatments. Her bloodwork was very good for her age and treatment started a week later. Lindy was taking 4 different medications along with a cream for her ears. Her medications included Pentoxifylline, Doxycycline, Prednisone and Vitamin C liquid. Lindy was taking these medications for a couple of weeks when her appetite decreased and she became increasingly agitated with taking the medications, all of which were liquid except for the Prednisone. It was very uncharacteristic of Lindy to protest so strongly so I stopped giving her all the medications in the hope that her appetite would increase, with the exception of the Prednisone which I continued to give her. That was about 5 or 6 days before she passed. She had a return appointment for Monday, September 23 and unfortunately declined very rapidly over the weekend. I knew she was ready to cross over the Rainbow Bridge and did so at our last Veterinarian visit. My sweet Lindy Lou was one in a million and she and I had a very special bond and I miss her with all of my being. Fly free my sweet angel.

Addison White - WhisperWind

GCh. Southcreek's Pixel Perfect at Maribeso bred by Tracey Giles and Kylie Wilson and co-owned with Shana Snow and Carla Praught, handled by myself, Addison White is currently #1 Female in Canada and a Top 10 Papillon in Canada. Latest Group Placements - Pictou Kennel Club Group 3rd under Lee Steeves and another under Patrick Mudge. Abegweit Kennel Club a Group 3rd under Ann Felske-Jackman and a Group 4th under Wendy Anderson. At the Cobequid Dog Club shows, a Group 3rd under Paula Heikkinen-Lehkonen and a Group 4th under Harry Lehkonen. Looking forward to the 2025 show season and selectively showing 'Ace' Am GchB. Magic Sunrise Ae of Base SOM, AOM who is co-owned with Shana Snow and Carla Praught of Maribeso.

And from Me Bett Nielsen

As previously reported, Ch Annacott Animato Karma finished his first full year of showing with his Canadian Championship. He also accumulated 7 Grand Championship points. At every turn Karma has had fun and he has dragged me along for his ride. Our goal for 2025 is to continue to have fun. To attain his Grand Championship and maybe dip his toe into some shows south of the border.

Wish us luck.

Thanks

Better Breeder Code of Ethics

The Better Breeder Institute's Code of Ethics is written keeping the best interests of our dogs at heart, as well as the families we entrust our puppies to. Conscientious breeders should exceed the minimum requirements and expectations, setting a standard for others to follow. The goal always being to produce quality dogs that closely conform to their breed standard, of sound temperament, are vigorous, and free of health problems. To that end, I hereby pledge and certify:

1. To support the preservation and advancement of my breed.
2. To plan each breeding with the primary intention to improve my bloodline within the foundation of correct breed type and original breed purpose.
3. In every breeding, to analyze the pedigree and conformation of both the sire and dam, with consideration of the breed standard and the principles of genetics.
4. To only incorporate dogs free of serious or disqualifying defects. Further, to refrain from using any dog that is found to consistently produce afflicted puppies.
5. To perform all health screens on my breeding stock as recommended by my national breed club.
6. To maintain high standards of health, maintenance, and care for my dogs. Facilities are to be kept clean and orderly.
7. Not to sell any puppy until it is at least eight (8) weeks of age.
8. To be judicious in the sales of my puppies and concerned about the type of buyers they are placed with. I will not sell puppies into homes where I question the care, treatment, or safety of the puppy, or to dog wholesalers, retailers, pet shops, or at auction. I will require buyers of pet-quality puppies to spay/neuter them at a safe & appropriate age.
9. That all my puppies are seen by a licensed veterinarian and given a full veterinary exam before going to a new home. Any health issues or concerns are to be fully communicated and detailed to the buyer.
10. With the sale of every puppy, I will provide the buyer with a properly-executed sales contract, health guarantee, registration papers, and diet, vaccination, and parasite control records at the time of purchase.
11. That my advertising, marketing, and communication will be factual and honest, both in substance and implication.
12. To be available to my puppy buyers for whatever reasonable advice and assistance they may need through the lifetime of the dog.
13. To request that my puppy buyers advise me if they are ever unable to keep their dog so that I can either take the dog back or help assist in placing the dog in a new home.
14. To conduct myself equitably, ethically & professionally toward everyone, whether partners, clients, or competitors.

The **Better Breeder Institute's Code of Ethics** is intended as a standard of etiquette and behavior for responsible dog breeders. It is not to be construed as a rule or regulation to be enforced by punishment. Breeders are expected to police themselves in a civil and responsible manner.

BRITISH COLUMBIA INTERIOR REPORT

December 2024

Director – Nancy Lopaschuk

Merry Christmas to all and Best Wishes for the New Year.

News from BC Interior Members

Margaret Zacher (Ladymagic Perm Reg'd) – Kelowna BC

Merry Christmas Everyone!

We are thrilled to announce that Sailor has completed his Obedience Trial Championship and also received a High In Class in Open HB! We are incredibly proud of his achievements and excited for what's to come.

Looking ahead to the New Year, we will be working towards several more performance titles for Sailor. Additionally, his daughter Sparkle will be trying her paw at performance as well – we can't wait to see how she does!

As the New Year quickly approaches, we want to wish everyone a wonderful Christmas and a fantastic start to 2024.

Nancy & Richard Lopaschuk (Nanrich Perm Reg'd) – Cranbrook BC

No show news but after more than two years without any litters, we welcomed two litters on September 15th. The litters should have been born about 3 days apart, but Mother Nature had different ideas. Never's first litter of one male and one female were delivered by c-section due to the female puppy having a detached placenta. Then 12 hours later Mandy decided she should present us with two male puppies. One was strong and vigorous, and the other was very small at 74 grams. We successfully tube fed and subq'd him for several days and he did very well and has now caught up to his litter brother.

Then In November, Dick & I were very honored to be chosen by the Canadian Professional Handlers Association to receive the 2024 Lifetime Achievement Award for the year at the Top Dog Dinner held at the Blackfoot Inn in Calgary. This annual "Black Tie" event has been held for the past 35 years. We felt very humbled to be chosen by our peers for this prestigious award. The breeders and owners of the top 10 dogs for 2023 were also honored and presented with a lovely plaque signifying their achievement. Our son & family from Seattle joined us along with our daughter from Kamloops and a few very longtime friends also traveled to be at the dinner and presentation. I have attached some pictures and the write-up that was in the program. We had to send many pictures that were shown during the presentation. Attached are some photos. You will probably have to increase the size to read the history. Too small for old eyes. 😊

Merry Christmas

KNOW YOUR MEMBER

We started in purebred dogs in 1966 with German Shepherd Dogs in the obedience ring and graduated to conformation a year later. Over the next 58 years bred many champions German Shepherd Dogs, Miniature Schnauzers, Cairn Terriers and Papillons. Also bred and exhibited Wire Fox Terriers and Pointers. We still breed and exhibit Papillons. We are 58-year Life Members of the Canadian Kennel Club, life members of the West Kootenay Kennel Club, the Cairn Terrier Club of Canada, BC All Terrier Club and active members of Papillon Canada and Papillon Club of America. We have been active in many dog clubs and organizations including the Cranbrook & District Kennel Club, of which we have been executive members since moving to Cranbrook in 1984. Nancy is currently a Papillon Canada Board Member. She serves as the Director for the members in BC Interior & Yukon.

Richard was on the Board of Directors of the Canadian Kennel Club for 12 years, retiring from the Board in 2002. He was re-appointed to the CKC BOD in 2016 to complete a term vacated by the passing of the board member for BC Interior & Yukon area. Richard started judging in 1989 with the Terrier Group and is a Canadian All Breed Judge. He has also judged internationally in Australia, BIS Melbourne Royal, 2005, Argentina, Brazil, Chile, China, Columbia, India, Indonesia, Japan, Mexico, New Zealand, Philippines, South Africa, Sweden, Thailand and the United States. Richard, after 33 years of judging, retired in 2022 from active judging.

Over the years, as well as conformation, we have been active in obedience, search & rescue, avalanche, tracking and more recently, Nancy competes in Conformation, Rally and Obedience with the Papillons as well as doing some agility. She is also the Papillon Canada Director for BC Interior and Yukon.

Papillons are a more recent breed to us and our retirement breed. We acquired our first Papillon in 2002 and have been very successful in the show and obedience ring. Our breeding program is small but very successful in both the USA & Canada and we do not offer many puppies for sale. When we place puppies, the most important thing is a loving home with conscientious owners.

Papillon Canada Alberta Regional Report

This fall/winter has been a bit slow - fewer dogs in the ring than the normal AB numbers. I can only expect that everyone is amping up for 2025!

Special shout out to Nancy and Richard Lopaschuk for receiving the Lifetime Achievement Award from the Professional Handler Association. The award was presented at the 35th Annual Top Dog Awards Banquet held during Evelyn Kenny Kennel & Obedience Club show this past November. Congratulations to Nancy and Richard! It is an accomplishment to be admired and shows your strong commitment and dedication to the purebred fancy.

Member Updates

Toby Hately | Aldersyde, AB | Rae Anne Kennels

Rae Anne Kennels has had a fabulous year! We finished Rae Anne's Style and Fashion (Elle) Grand Championship! Rae Anne's Timeless Elegance is working on his Grand Championship (Rolex). GCHG Rae Anne's Top Gun (Tommy) has been campaigned for 2023 -2024. He has finished his campaign with 5BIS, 2 RBIS, 53 Group 1 placements! This lovely boy has given us some beautiful offspring and he always makes us laugh!

We have some lovely dogs coming up and look forward to see everyone next year in and out of the ring! Thank you everyone who has supported Tommy and me this year. Your friendship and encouragement have truly been a blessing.

Stephanie Thygesen (AB Regional Director) | Calgary, AB | Pixel Papillons and Phalenes

The fall has been crazy busy for work, so not much to report. The dogs and I haven't had much time to play, but we have been working on some technical skills/refinement and are excited for 2025 competitions!

My youngest pup Mipha earned Canadian Championship in September! She was taking her sweet time to mature, but she really turned it on in the last couple of shows, earning 3 and 4 point majors - 3/4 times! Thanks to all of the judges and breed specialist that recognized this special little pup.

History of Papillons in Canada Update – Papillon Canada Handbook 2000

The Update: (listed by Kennel name, then owner and province).

Several of the founding and long time breeders are no longer active but some are still going strong. Below are the updates on the established kennels, introduction to the new ones and a salute to those no longer with us:

Annacott (Moira Ure, AB) Moira has continued to pursue her interest in phalenes and imported Glenscot Bonnie Lassie (Mhairi) in 1995, a wonderful little girl with 5 generations of phalenes behind her. The phalenes have been attracting a lot of attention with Annacott Little Luthias having completed his American Championship and Annacott Brittany and Annacott Brigadoon winning well on both sides of the border. Moira has also continued with her papillons. Both papillons and phalenes, have done well at the US Nationals, with four dogs being in the winners line up and another in for reserve at the last three Nationals. Moira keeps only a limited number of dogs and has been breeding only one litter a year for the past few years.

Arkeno (Kim McKay & Murray Berg, AB) Kim and Murray continue to breed and show their Papillons with close to 100 Champions. Cody (Ch Lightfoot's Fast Talker), #1 Papillon in 1986, became the cornerstone of Arkeno and although used very sparingly, produced many Champions including Ch Arkeno's The Sting at Mantoga BIS, Can AmCh Arkeno's Storm Warning Can Am CD and Multi BIS BISS Can Am Bda Ch Arkeno's Memphis Blues. Combining the imported lines of Champion Lordrake Rolo, Talia, Reel O'Cotton (dam of 16 champions), Top Notch, You're My Dream, Xatina and the very typey Eng BIS winner Sha Sha Adure from David and Pauline Abbott of Lordsrake Papillons in England, resulted in the winning combination for Arkeno, producing internationally competitive, healthy Papillons of structural soundness and beautiful temperament

Baskin (Barb Hoskin, ON) Barb purchased her first Papillon in 1991. In 1992 Ch Hayeshaven Keegan was purchased and shown to his championship and in 1993 her foundation bitch. Ch Hayeshaven Sere was purchased. Sere finished in two weekends from the puppy classes. With limited breeding and showing there have been four champions produced and others to be shown in 2000. Barb hopes to enjoy many years with this wonderful breed.

Bijou (Janet & Erica Busch, ON) Beauty with Brains. We are dedicated to the long range welfare of the Papillon.

Bluechip (Olga & Kristen Gagne, ON) Bluechip is a small select group of papillons that make our home active and happy. They are all titled champions in Canada and some are US champions also. As well as the show activities, the dogs enjoy taking part in obedience and agility.

Breezwae (Cindy Hook, ON) Where type and soundness go hand in hand. Home of 31 Canadian Champions, 26 bred at Breezwae, with others well on their way. Breeder of Multiple Group winners and placers, with 3 different Best Puppy in Show winners and 1 Best Puppy in Specialty Show winner. 1998 Purina Breeder of the Year.

Casana (John Morin, ON) Casana Papillons has always been a small kennel. I remain small to enable my breeding program to develop a Papillon of class. With the combination of British stock and the finest of Canadian stock, my dogs have become known for their quality, soundness, good movement and excellent temperament. Of course, this is not done without the help of other outstanding kennels, my Thanks go to Caswell, Iffly, Gossamer, Kernow and Copper Mist Kennels for their guidance and patience in helping me develop Casana Papillons.

History of Papillons in Canada Update – Papillon Canada Handbook 2000

Comsilk (Erin Hennaert, ON) While I have shown dogs all my life, I acquired my first papillon in 1992. My first litter was born in 1994, and since then have gone on to breed many champions, as well as a specialty winner, and several group winners and placers. My foundation bitch is from Kvar Kennels (USA) and the stud dogs that make up my breeding program have included dogs from the USA, England and Sweden.

Crosspoint (Zelda Cross, ON) Crosspoint originally bred Brittany's til purchasing our first Papillon Cricket of Chrizrick Kennels. A lovely bitch who earned her Championship, she was our first therapy dog, and gave us two homegrown Champions, along with Rambo, a Can Am CDX, Multiple HIT dog, owned and trained by Marg Hacking. With the addition of Hayeshaven Marble and Ch Hayeshaven Red Cedar, we will continue to breed this marvelous little dog, for sound mind and body, in our home and underfoot.

Glenmargo (Marj Scott, BC) has been breeding since 1969. Many, many Glenmargo Papillons have finished their Championships and/or their Obedience titles. The latest outstanding obedience achievement was made by Heather Box and OTCh & Ch Glenmargo's Fancy Red Lace, who was # 1 Toy/# 1 Papillon 1995; # 7 Toy /# 3 Papillon 1996; # 6 Toy /# 2 Papillon 1997 and # 5 Toy/# 2 Papillon 1998.

Glintondale (Rosemary Hagen, ON) has been breeding and showing Papillons for quite a number of years. Several of her dogs have done very well, including her import "Ch Rimzim Leila". Leila won a Best in Show in 1988 and was the Toy Group Winner at the Purina Show of Shows that year.

Gnomehaven (Bett Nielsen, NS) Bett acquired her first Papillon, Ch Fitchenwald's Bonita Mikka CDX in 1985. Mikka became the dam of Bett's foundation bitch, Ch Gnomehaven's Golden Farli CD. Bett is involved in Conformation and Obedience work with her Papillons. Farli has also performed in the SuperDogs production. Bett has been an active supporter of Papillons, serving several terms on the Board of Directors and showcasing the breed at various local Pet Expositions. She is also active with the Papillon Rescue Committee.

Gossamer (Diana Pierce, QC) (formerly Akarana) date from 1970 with importations from Thingden and Quinetta in the UK. Correct breed type, combined with soundness and intelligence, have always been our goal. Ch Gossamer's Lucretia, who was BOS at Papillon Canada's 1997 Specialty Show, has also achieved an agility title. Her sister's Gossamer Legacy and Gossamer Alicia were the top two papillons in Canadian agility in 1999.

Hayeshaven (Cindy Hayes, ON) Hayeshaven began with the Wynfield line and continued their tradition of breeding for soundness combined with terrific temperament. Earning the 1994 Pedigree Breeder of the Year thanks entirely to the purchasers who completed the Championships of their Hayeshaven Papillons. Hayeshaven was dispersed in 1998, while Cindy takes a hiatus. Cindy has served Papillon Canada as Newsletter Editor (for 6 years), publishing the 1st handbook and the 2nd handbook, along with the production of the club pins and is the current Club Secretary.

Jaclair (Carol McLaughlin, AB) I am pleased to be breeding and enjoying papillon under the "Jaclair" name. My mother started this kennel in 1960. I have lived with and loved papillons ever since. In the early 1990's, I decided to reestablish the Jaclair line. After careful research I found Ch Lighttoots Allo at Jaclair and Ch Josandre' GG Miss Molly, who both go strongly back to well known Jaclair dogs. They have so far produced several beautiful puppies including Ch Jaclair's Encore, who I hope will be the foundation of the new Jaclair.

History of Papillons in Canada Update – Papillon Canada Handbook 2000

Jordannas (Lynne Beilhartz, ON) purchased my first papillon from Rosvaire Kennels in 1996. Since then I have put championships on two homebred littermates. I have been active in dogs since 1980 with conformation and obedience boxers and have added agility with the papillons. An active member of several kennel clubs and the coordinator of our local training center. I take as many educational courses as I can to upgrade my skills as a competitor and potential conformation judge.

Kenrennie (Kenworthy, BC) Betty bred and showed her Kenrennie line until her death in 1996. Sam, her husband and Shirra, her daughter have continued the kennel in memory of Betty. Betty's dogs earned many championships and obedience titles and they continue to do so today. Her line can be found in many Canadian and US pedigrees. Her line's influence will continue for a long time. Betty is greatly missed.

Kernow (Gillian Hunn, ON) has been involved with purebred dogs all her life, living with Cairn Terriers and Rhodesian Ridgebacks as a youngster in England. Her first attempt at obedience training was in 1962. After moving to Canada and the US with her husband and family, she returned to Canada and the sport again in 1973, with some success. After putting an OTCh on her Mini Schnauzer and training her rescue Mini Poodle to Utility, Ch & OTCh Jaclair's Tracikin UD Am CDX, came to her through Diana Pierce in 1977. Traci became the foundation of Kernow Papillons and finished her Ch and OTCh easily. She was the dam of an OTCh litter, four generations of homebred, owner handled Group Placers, Can & Am Champions, BPIS and BPIG winners.

Kinduhaven (Belle Darris, NS) Belle purchased her first Papillon in 1981 but didn't produce her first litter until 10 years later, the dam being her foundation bitch, Ch Maywoods Bella Pandora. Belle imported Ch Tanarglen Wee Colonial Boy CD (GRB) He was # 5 Papillon in 1988 and her Ch Luxxor's Trustworthy (USA) was # 2 in 1993. Kinduhaven Papillons are active in Conformation, Obedience and Therapy Dog work, living up to the Kennel's slogan "Winning hearts in the home and ribbons in the ring". Belle is currently serving her second stint as President of Papillon Canada and has also served as Regional Director and Newsletter Editor in the past. Belle is also the owner and publisher of Papillon News, a bi-monthly newsletter for Papillon Lovers.

Mantoga (Jo Raymer, AB) has been active in the ring for a number of years with her Ch Arkeno's the Sting at Mantoga. Sting has placed in the top 5 Papillon standings for the last 4 years, twice gaining the Number 1 spot. Sting also has 2 Best In Shows to her credit. Jo has imported several Ringlands dogs, who have completed their Championships with many Group wins and placements.

Maplerich (Laurie Cheney, ON) received their first papillon from Patricia Hritzo of North Starr's fame. North Starr's No Nonsense (Silky) finished her Canadian Championship very easily, winning Best of Breeds from the classes. Now, at the age of 5, she has finished her American Championship. She has two Ch. offspring. Golden Retrievers are our first breed, but we at Maplerich are totally smitten with these wonderful butterfly dogs!" All papillons sold at Maplerich are on a non-breeding contract. Healthy, happy, home raised puppies.

Maringay (Fowler, Scotland) Gladys was famous for her Maringay Papillons. These papillons were the foundation of her daughter, Moira Ure's Annacott line. Gladys was one of the pioneers of Papillons in Scotland and her line's influence can be felt in many pedigrees. Gladys passed away in 1996 and she is sadly missed.

History of Papillons in Canada Update – Papillon Canada Handbook 2000

Mercer (Robin Mercer, ON) I started with this most wonderful breed in 1995 having acquired my first Papillon “Crystal” from Sherrie & Jim Puzak (USA). I was so taken with the breed and wanted to get into showing, so I later acquired other dogs from Sherri, one of which was our first Canadian Champion Sherjak’s Mighty Fancy (Butchie) Over the past 3 years, my daughter Aimee and I have continued to show my homebred puppies and we have finished 4 champions, with others pointed.

Minifée (Edith & Denis Bertrand, QC) My husband and I are proud to show you our kennel Minifée. We got our first papillon in 1995 and we have bred papillons since 1997. We also have Phalenes, but we aren’t breeding them yet. Most of our lines come from Europe. We have 2 Canadian Champions, one is our first Phalene male. All our dogs are raised in the family with love.

Nymphenberg (Smith, BC) Harvey was a long time fancier and bred very seldom. He was a founding member of the Papillon Canada and a very active supporter for over 30 years. Sadly Harvey passed away March 7, 2000 and is greatly missed by many.

Rosvaire (Vaire Solandt, ON) is active still. Her dogs have done quite well in conformation, beginning with Ch Oxney Fella #1 Pap, #5 toy in 1972, followed by Ch Rosvaire Renoir #2 pap 1975 (sone of Ch Oxney Fella); Ch Cherubs Rebel of Rosvaire #2 Pap 1982; Ch Roavaire Rapid Transit #3 Pap 1983 (Cherub’s son); Ch Rosvaire Ring in the New #1 in 1985 and #2 in 1986; Ch Rosvaire Rhythm of the Rain #4 in 1989. She continues to place in the top 5 papillons with her most recent Ch Monteith Rosvaire Busy Signal #2 Pap in 1991 – bred by Shirley Waller. “Polly” has also earned her American Championship and placed many times in the Group in Canada. Rosvaire has never produced a lot of litters, opting instead for producing good puppies.

Sealoch (Grant & Melissa Fancey, NS) Grant and Melissa have bred and/or owned 50 Shetland Sheepdog Champions, including 5 Record of Merit and High in Trial and Best in show and Best in Specialty winners since 1978. They obtained their first Papillons in 1997 from Jo Raymer’s Mantoga Kennels. Their foundation bitch, Ch Mantoga Sealoch Argentina produced the first Sealoch Papillon litter in 1999. Grant & Melissa participate in conformation and obedience competitions. They are also active in their local volunteer programs, which include a Canine Program at the local Women’s Prison and Therapy dog visits to Senior Citizen Homes. Melissa is the Web Master of her recently compiled Papluser’s List, a compilation of Papillon owners/breeders around the world.

Wynfield (Inson, Ontario) Rosa Passed away December 11, 1993. Her daughter, Joyce Snider and then her granddaughter Virginia Hansford continued the kennel until the early 1990’s. Wynfield’s is no longer actively breeding/showing but their legacy lives on in pedigrees of Papillons today. Rosa, a life member of the CKC and Papillon Club of America, is sadly missed.
